

TWO VISITORS FROM
OUTER SPACE
ZOOMED IN FOR A
CLOSER LOOK AT
HYDE STREET PIER

ODDLY,
THEIR SPACE
CRAFT
RESEMBLES
THE HISTORIC
AQUATIC
PARK
BATHHOUSE
BUILDING

OH MY GOSH
ZIG, COULD
THAT BE THE
LONG-LOST
MOTHER
SHIP????

WHAT IS THIS
PLACE? LET'S
GET CLOSER.

AND WHY IS THAT LIFE FORM IN GREEN
AND GREY WEARING A FLYING SAUCER ON
ITS HEAD??

MEANWHILE, HOVERING
ABOVE HYDE STREET PIER...

WHAT IS IT
CAPTAIN
ZOG????

BLISTERING,
BLUE, BELAYING
PINS ZIG!!!

THAT LOOKS
EXACTLY LIKE
COUSIN ZAG!!!

CAPTAIN ZOG ENGAGES THE SHIP'S SUPER
ATTENUATED HYPER CAPSTAN CLOAKING DEVICE TO
LAND UNDETECTED ON THE PIER. THEY LISTEN IN
ON RANGER REJANE'S PROGRAM...

HAVE YOU EVER SEEN A BARNACLE?
THEY ARE STUCK TO THE WOODEN
PILINGS THAT HOLD UP THE PIER.
THEY'RE STANDING ON THEIR HEADS
AND THEY EAT WITH THEIR FEET
WHEN THE WATER COVERS THEM.

HERE IS A SEA STAR CLINGING
TO A PILING. THIS ANIMAL LIKES
TO DRINK HIS FOOD. HIS
FAVORITE IS A MUSSEL. HE
PULLS IT OPEN JUST ENOUGH,
TURNS HIS STOMACH INSIDE OUT,
AND THE DIGESTIVE JUICES TURN
THE MUSSEL TO LIQUID AND THE
SEA STAR SLURPS IT UP. YUM!!!
